

Kieran Upadrasta awarded honorary doctorate in literature

AUSTRALIA, July 26, 2024 /EINPresswire.com/ -- A "recognition of his outstanding contributions to the cyber security, artificial intelligence and quantum computing industry and society at large." Honoured with The Prestigious Honoris Causa Award of The Honorary Doctorate in Literature,

Peace envoy Kieran Upadrasta has received an honorary doctorate from Tampa University at the institute's 23rd annual convocation which was held at North Ashley drive campus in Tampa on June 10th, 2024. A statement released by the university called the honorary doctorate degree to Kieran Upadrasta as a "recognition of his outstanding contributions to the cyber security, artificial intelligence and quantum computing industry and society at large." During the press conference, Kieran Upadrasta expressed his gratitude to the university for the honour, admitting his surprise and disbelief. He dedicated the doctorate to his colleagues, audience, fans, and everyone who has supported him throughout his journey.

This honour further solidifies his status as a "Maestro " and recognizes his multifaceted achievements. The ceremony at Tempa University was a grand affair, with Kieran Upadrasta receiving a warm welcome. His journey to Maestro was highlighted, drawing applause from the audience. The chancellor Mark Zarr presented him with the doctorate, marking a significant milestone in his career. The university acknowledged Kieran's contributions to social welfare and his achievements in the Cyber Security, Artificial Intelligence, and Quantum Computing, the Information Technology (IT) industry. The university's official account expressed excitement at welcoming the dynamic star for their 23rd Annual Convocation, where he was presented with the prestigious Honoris Causa award.

It also said, "Tampa University is honoured to recognize Kieran Upadrasta 's exemplary achievements and contributions. By conferring upon him the honorary doctorate degree, the

university acknowledges his stellar achievements in the Cyber Security, AI industry and his unwavering commitment to social service, inspiring countless individuals to pursue their dreams while making a positive impact on society.”

The remarkable achievements of Kieran Upadrasta have not gone unnoticed. He is the recipient of numerous awards, including the prestigious Korean Peace Prize. This should be a testament to his unwavering support for his peacebuilding efforts.

The recognitions stand as a proof of his efforts and also a beacon of hope for anyone looking to pursue similar paths of social good.

Peace envoy Kieran Upadrasta, who has been known for his work in philanthropy, cyber security, and other areas has been honoured for his dedication to the areas of humanity. His work in these areas has spanned over several decades, leaving a lasting impact on countless individuals and communities worldwide. He has been honoured by the Heart Foundation and Garden of Remembrance for his work.

Peace envoy Kieran Upadrasta, a celebrated social activist, philanthropist, and cybersecurity expert, is receiving renewed recognition for his unwavering commitment to humanity.
