

Brew More Than Beer at Home – iGulu S1 Leads the Way on Kickstarter

iGulu is excited to announce the launch of latest product, the iGulu S1 Smart Beer Brewer, on Kickstarter. The iGulu S1 is set to redefine home brewing.

LOS ANGELES, CA, USA, July 26, 2024 /EINPresswire.com/ -- A New Era in Home Brewing

Building on the success of the iGulu F1, the S1 introduces a range of advanced features that cater to both novice brewers and seasoned enthusiasts. The S1 utilizes cutting-edge cooling technology, ensuring precise temperature control for a variety of brews, [including beer, kombucha, mead, apple cider, and white wine](#). This technology allows users to achieve professional-quality results with ease.

Features and Innovations

The iGulu S1 Smart Beer Brewer is designed to provide an all-in-one brewing solution, including Fermentation, cooling and dispensing.

- One-Tap Brewing: Utilize RFID cards included with ingredient packs or built-in brewing programs to start the brewing process with a single touch.
- Intelligent Fermentation Technology: Ensures precise temperature and pressure control for
