

PropertyRoom.com Partners with 11 New Police Departments and Agencies to Auction Seized, Abandoned, and Stolen Items

FREDERICK , MARYLAND, UNITED STATES, July 30, 2024 /EINPresswire.com/ -- Eleven new Police Departments, Agencies, and government entities have partnered with [PropertyRoom.com](https://www.propertyroom.com) to auction off their seized, stolen, unclaimed, or surplus assets on the online auction platform during the second quarter of 2024.

Law enforcement agencies are typically required to auction property and evidence after completing the legal processes. Since these agencies are busy with important tasks, PropertyRoom.com helps to simplify the process. All agencies need to do is take inventory and schedule a pick up! PropertyRoom.com travels to the agency, picks up the assets, and sends them to auction- they even provide Chain of Custody practices so agencies can know where exactly the assets are in the process.

These new clients can be found in states ranging from the east coast to the west, from North Carolina to Washington.
