WOODLAND HILLS, CALIFORNIA,
UNITED STATES, July 31, 2024

[/EINPresswire.com/](https://www.einpresswire.com/) --

[Spaces4Learning](https://www.spaces4learning.com/), a provider of news, information and tools that three key levels of decision-makers (executive, purchasing and specifier) at schools, colleges and universities need to create effective learning environments, a division of [Converge360](https://www.converge360.com/) and 1105

Media Inc, is excited to announce the winners of its [2024 New Product Award](#).

Twenty companies are being recognized as winners across 20 K-12 and higher education categories with a few receiving multiple awards, including Armstrong World Industries, Atlona, Interface, IPVideo a Motorola Solutions Company, Lakeshore Learning, Patcraft and PPG.

The 2024 Spaces4Learning New Product Award program honors the outstanding product development achievements of manufacturers and suppliers whose products or services are considered particularly noteworthy in helping to improve the learning environment.

"We are excited to honor these products for their contributions to learning environments across K-12 and higher education, ensuring that spaces are safe and comfortable, inspire learning, and support student success," said Editor-in-Chief of Spaces4Learning Rhea Kelly.
