

Florida Mesothelioma Victims Center Appeals to the Family of a Plumber with Mesothelioma or Lung Cancer anywhere in Florida to Call the Gori Law Firm About Compensation and Much Better Financial Settlement Results

TAMPA , FLORIDA, USA, August 6, 2024

/EINPresswire.com/ -- The Florida Mesothelioma Victims Center says, "We are appealing to the family of a current or former plumber who has just been diagnosed with mesothelioma or asbestos exposure lung cancer anywhere in Florida to please call the Gori Law Firm at 866-532-2106 to discuss financial compensation. The Gori Law Firm is one of the nation's best known legal advocates for people who have developed mesothelioma or asbestos exposure lung cancer and they have an office in Tampa.

"Plumbers are one of the top work groups in the nation for developing mesothelioma or asbestos exposure lung cancer because they would have had so much on the job exposure to asbestos. Prior to the early 1980s there were essentially no rules related to asbestos exposure. Plumbers would have had routine exposure to asbestos replacing pipes, repairing boilers-furnaces, and replacing water pumps. Plumbers may have also brought asbestos home on their work clothing-so secondhand exposure to asbestos is a distinct possibility.

"If your husband or dad is a current or former plumber and he has just been diagnosed with mesothelioma or asbestos exposure lung cancer anywhere in Florida please call the Gori Law Firm at 866-532-2106 about compensation. The Gori Law Firm has no equal in Florida for people like this."www.gorilaw.com

* "Do you recall the names of coworkers who might have witnessed your exposure to asbestos?"

* "Did you have more than one job where you might have been exposed to asbestos?"
