

Frontline Insurance Selects GhostDraft to Streamline Document Automation

Driving operational efficiency and better insurance customer experiences with GhostDraft

WILMINGTON, DE, US, August 8, 2024

/EINPresswire.com/ -- [GhostDraft](#), a

leading provider of cloud-based document automation and customer communications management software, is thrilled to welcome

[Frontline](#) Insurance to its growing list of satisfied clients. Frontline, a prominent

home and commercial property insurer serving the Southeastern United States, has implemented GhostDraft's comprehensive platform to streamline the creation of policy forms and related documents. This partnership is set to build strong customer experiences, create operational efficiencies, and drive cost savings.

“

This alliance will help us meet and surpass customer expectations, streamline our processes, and drive efficiency through advanced technology.”

Kurt Bonigut, CIO at Frontline Insurance

“Our partnership with GhostDraft represents a significant step forward in our strategic initiatives. This alliance will help us meet and surpass customer expectations, streamline our processes, and drive efficiency through advanced technology. Recognizing GhostDraft as a market leader in document automation, we are enthusiastic about the opportunities this collaboration will bring.” — Kurt Bonigut, CIO, Frontline Insurance

“We are delighted to welcome Frontline Insurance to the

GhostDraft family,” said Wayne Toms, CEO of GhostDraft. “Our platform helps businesses streamline communication and enhance customer experiences. We’re dedicated to delivering the same exceptional service to new customers that we’ve provided for over three decades.”

As part of the GhostDraft family, Frontline can now leverage the platform’s advanced features and functionalities to improve their communication processes and enhance customer satisfaction. Learn more about how GhostDraft 360 is helping 100+ insurers create better

experiences, greater efficiency, and more agility.
