TAMPA , FLORIDA , USA, August 20, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- The Florida Mesothelioma Victims Center says, "If you are a Navy Submarine Veteran who has just been diagnosed with mesothelioma or asbestos exposure lung cancer anywhere in Florida or their immediate family, we are urging you to call the Gori Law Firm anytime at 866-532-2106 for a serious conversation about financial compensation. Financial compensation for a Navy Veteran with mesothelioma might exceed a million dollars, and or hundreds of thousands of dollars for a person like this with asbestos exposure lung cancer. The variables on compensation is how the sailor was exposed to asbestos and the skill of the lawyers that represent the Veteran.

"The Gori Law Firm is one of the nation's largest law firms that concentrates their practice areas on mesothelioma and asbestos exposure lung cancer. A mesothelioma or asbestos exposure lung cancer compensation claim involving a Navy Submarine Veteran, or any type of Veteran does not involve suing the US Government. These compensation claims involve the \$35 billion-dollar asbestos trust fund. The Gori Law Firm has as much or in many cases more experience doing these types of claims than almost all other law firms in the nation. The Gori Law Firm has an office in Tampa, Florida.

"If your loved one is a Navy Submarine Veteran who has just been diagnosed with mesothelioma or asbestos exposure lung cancer anywhere in Florida, please call the Gori Law Firm anytime at 866-532-2106.
