

# Qapita Partners with Startup Steroid to Help Startups Manage Equity and Raise Funds

*The partnership between Qapita and Startup Steroid is set to simplify the process of how startups manage their equity and raise funds.*

CERRITOS, CALIFORNIA, USA, August 20, 2024 /EINPresswire.com/ -- Qapita, a leading provider of equity management solutions, and Startup Steroid, a comprehensive platform connecting investors with startups, are pleased to announce their strategic partnership.

This collaboration aims to streamline equity management and fundraising processes, significantly benefiting the users of both platforms.

The partnership between Qapita and Startup Steroid is set to simplify the process of how startups manage their equity and raise funds. By integrating Qapita's equity management tools with Startup Steroid's [investment platform](#), users will experience a more cohesive and efficient process.

Key benefits include:

**Enhanced Equity Management:** Startups will have access to Qapita's advanced equity management tools directly through Startup Steroid, allowing for seamless cap table and ESOP management.

**Streamlined Fundraising:** Investors and startups can take advantage of the combined capabilities of both platforms to facilitate smoother and faster fundraising rounds, ensuring all equity transactions are accurately tracked and managed.

Partnership -Qapita and Startup Steroid

Increased Transparency: The integration will ensure greater transparency in equity management and fundraising processes.

Comprehensive Support: Both platforms will work together to provide users with the necessary expertise and resources for managing equity and fundraising effectively.

Anshuman Sinha, Co-Founder and COO of Startup Steroid, expressed his enthusiasm about the partnership: "This collaboration with Qapita is a significant milestone for us. By combining our strengths, we can offer startups and investors a more streamlined and efficient way to manage equity and fundraising. This partnership aligns with our mission to support the startup ecosystem and drive innovation."

Likewise, Amit Kaistha, Head of Partnerships at Qapita added "We are excited to partner with Startup Steroid to enhance the equity management and fundraising experience for startups. Our combined efforts will provide a comprehensive solution that addresses the needs of both entrepreneurs and investors.

This partnership marks the start of a new chapter in helping startups manage equity and raise funds, promising constant improvements and support for startups and investors."
