

# Water Landscapes LLC Expands Service Territory Throughout Oakland County, Michigan

*Water Landscapes Expands Service Territory Throughout Oakland County, Michigan: Premier Pond and Waterfront Experts Bring Eco-Friendly Solutions to New Cities.*

WATERFORD, MICHIGAN, UNITED STATES, August 23, 2024

/EINPresswire.com/ -- [Water](#)

[Landscapes](#) LLC, a leading provider of

full-service [pond management](#) and [waterfront cleanup](#) solutions, today announced a significant expansion of its service area to include several additional cities across Oakland County, Michigan. This strategic move aims to meet the growing demand for specialized water feature maintenance and enhancement services in the region.

“

We're thrilled to bring our expertise in pond management and waterfront cleanup to communities throughout Oakland County.”

*Jason Zimmerman*

Founded over two decades ago, Water Landscapes LLC has built a strong reputation for excellence in creating and maintaining stunning water features that enrich local communities. The company's expansion from its Waterford base to cover a broader area throughout Oakland County represents a milestone in its growth trajectory and commitment to serving a wider client base.

Jason Zimmerman, Founder and President of Water

Landscapes LLC, expressed enthusiasm about the expansion, stating, "We're thrilled to bring our expertise in pond management and waterfront cleanup to communities throughout Oakland County. As the region continues to grow, the need for specialized services to maintain the health and beauty of local water features has never been greater. Our team is proud to serve as trusted partners in preserving the natural splendor of these important community assets."

The expanded service territory now includes the following cities in addition to Waterford:

water landscapes company

1. Clarkston
2. Lake Orion
3. Ann Arbor
4. Livonia
5. Plymouth
6. Canton
7. Brighton
8. Novi
9. South Lyon

This expansion allows Water Landscapes to offer its comprehensive suite of services to a broader range of residential, commercial, and municipal clients. Property owners and Homeowners Associations (HOAs) in these areas can now benefit from the company's expertise in:

1. Fountain Installation: Enhancing the aesthetic appeal of ponds and lakes with custom water features.
2. Weed and Algae Control: Maintaining water quality and clarity through eco-friendly treatment methods.
3. Shoreline Cleanup: Preserving the beauty and functionality of waterfront areas.
4. Beach Installation: Creating inviting recreational spaces along waterfronts.
5. Pond Aeration: Improving water quality and supporting aquatic ecosystems.

The company's approach to water feature management goes beyond mere aesthetics. Water Landscapes LLC is committed to environmental stewardship, employing sustainable practices that ensure the long-term health of aquatic ecosystems. This dedication to ecological balance has been a cornerstone of the company's philosophy since its inception.

Zimmerman elaborated on this commitment, saying, "From serene backyard ponds to the sprawling lakefronts of Oakland County, we're committed to delivering exceptional results that enhance the overall aesthetics and ecological balance of these precious water resources. Our environmentally responsible approach ensures a sustainable, long-term impact on the communities we serve."

The expansion comes at a time when Oakland County is experiencing significant growth and development. As new residential and commercial properties are established, the demand for professional water feature management has surged. Water Landscapes LLC is positioning itself to meet this demand, offering tailored solutions that cater to the unique needs of each property and community.

For residents and property managers in the newly serviced areas, this expansion presents an opportunity to access top-tier pond management and waterfront cleanup services. The company's team of experienced professionals brings a wealth of knowledge and expertise to

every project, ensuring high-quality results that stand the test of time.

To support this expansion, Water Landscapes LLC has invested in additional equipment and personnel training. This ensures that the company can maintain its high standards of service quality across the expanded territory without compromising on response times or customer satisfaction.

Residents and property managers interested in learning more about Water Landscapes' services can visit the company's website at [www.waterlandscapesllc.com](http://www.waterlandscapesllc.com) or call (248) 379-5351 to schedule a free consultation. The company offers personalized assessments and tailored solutions to meet the specific needs of each client, whether it's a small backyard pond or a large community lake.

As Water Landscapes LLC embarks on this new chapter of growth, it remains committed to its core values of excellence, environmental responsibility, and customer satisfaction. The expansion across Oakland County marks a significant step forward in the company's mission to preserve and enhance the natural beauty of Michigan's water landscapes for generations to come.
