

# Janus by Junlin Zhang Wins Silver in A' Interior Design Awards

*Innovative Whisky and Cocktail Bar Design Recognized for Excellence in Interior Space and Exhibition Design Category*

COMO, CO, ITALY, September 2, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected recognition in the field of [interior](#) design, has announced Janus by [Junlin Zhang](#) as the winner of the Silver A' Design Award in the Interior Space and Exhibition Design category. This prestigious accolade highlights the significance of Janus as an outstanding example of innovative and functional design within the interior design industry.

Janus, a whisky and cocktail bar with a social aspect, showcases the

importance of creating diverse spatial experiences that seamlessly combine to form an integral whole. The design's relevance to current trends and needs within the interior design industry lies in its ability to offer audiences more than two distinct atmospheres, catering to different moods and preferences. This alignment with industry standards and practices demonstrates the practical benefits of Janus for users, the industry, and other stakeholders, emphasizing its utility and innovation.

What sets Janus apart is its unique approach to creating a meaningful whole out of individual components. The design incorporates clean and simple geometric blocks, reminiscent of contemporary style, while also featuring classical elements in the details. The addition of a cantilever platform with a classical sculpture elevates the design's impact, bringing a sense of power and attractiveness through its unconventional aesthetics. This combination of elements allows audiences to interpret the space in their own way, sparking imagination and fostering a

deeper connection with the environment.

The recognition of Janus by the A' Interior Space, Retail and Exhibition Design Award serves as a testament to the exceptional talent and dedication of the design team at 0103 Interior Design Studio. This achievement is expected to inspire future projects and directions within the brand, fostering further innovation and exploration in the field of interior design. The award serves as a motivation for the team to continue striving for excellence and pushing the boundaries of creativity and functionality.

Janus was designed by a talented team of individuals, each contributing their unique skills and expertise to the project. The team members include:

Lead designer: Junlin Zhang, who spearheaded the overall design concept and direction.

Extension designer: Wenliang Liu, responsible for expanding upon the initial design ideas.

Rendering designer: Jingyu Zhang, who brought the design to life through stunning visual representations.

#### About Junlin Zhang

0103 Interior Design Studio is a group of young and promising designers who approach design from a philosophical perspective. By drawing inspiration from contemporary art, unique viewpoints, and the cultural essences of different regions, they aim to interpret and disseminate their values through their design language. Junlin Zhang, hailing from China, leads this innovative team.

#### About Janus

Janus is a whisky and cocktail bar that combines social aspects with distinct spatial experiences. The first floor serves as a supporting space, offering a loose, open, and relaxed atmosphere for coffee and spacious seating. In contrast, the second floor houses the main venue, featuring a more compact bar counter and seating area that fosters subtle connections between patrons, encouraging conversation and the sharing of stories.
