LOS ANGELES, CALIFORNIA, UNITED STATES, September 3, 2024 /EINPresswire.com/ -- Freestyle Digital Media, the digital film distribution division of Bryon Allen's Allen Media Group, has just released the exciting new adventure film AT HER FEET. AT HER FEET is now available to rent/own on all digital HD internet, cable, and satellite platforms in North America starting on September 3, 2024.

Filmed in Hawaii Volcanoes National Park and set against the backdrop of the Kilauea Volcano -- the world's most active volcano -- AT HER FEET is a captivating blend of adventure, mystery, and drama where nature's fury meets human courage. Considering the recent volcanic eruptions of Mt. Etna and Stromboli in Italy, Reykjanes in Iceland, and Mauna Loa and Kilauea in Hawaii, AT HER FEET is a timely and exhilarating tale that taps into our fascination with these powerful natural wonders. The film follows the heart-pounding journey of two college archeology interns and their Hawaiian guide as they race against time to save precious artifacts in the path of the volcanic eruption. This high-stakes adventure, paired with stunning visuals, guarantees an unforgettable viewing experience.

AT HER FEET was written, directed, and produced by Hawaii-based filmmaker Nadya Wynd, whose deep dive into the rich tapestry of Hawaiian history and culture is evident in every frame. Involving native Hawaiian actors, filmmakers, and cultural advisors, Wynd's dedication to authenticity ensures that AT HER FEET is not just an adventure but a vibrant cultural experience.
