MORRISTOWN, NJ, UNITED STATES, September 3, 2024 /EINPresswire.com/ -- [North Central Jersey Association of Realtors® \(NCJAR\)](#) is excited to announce its annual [Realtor® Community Care Day](#), scheduled for Friday, September 27, 2024. This event is dedicated to assisting homeowners throughout our region with essential non-structural exterior home repairs and safety modifications—all at no cost to the homeowner.

Realtor® Community Care Day exemplifies our Realtors®' commitment to giving back to the communities they serve. NCJAR members and volunteer contractors will work together on projects such as minor roof repairs, painting, gutter cleaning, and installing safety features, particularly for elderly and disabled homeowners.

"We're proud to offer this program to our community," said Chris Coccia, NCJAR 2024 President. "Realtor® Community Care Day allows us to directly impact the lives of those who need it most, and we're grateful for the opportunity to serve our neighbors."

Calling All Volunteer Contractors: In addition to identifying homeowners in need, we are seeking volunteer contractors to join us in making Realtor® Community Care Day a success. If you or your company can donate time, materials, or expertise, we would love to have you on board. Your participation will help ensure that more homeowners can benefit from this program.
