Inclusion Matters by Shane's Inspiration is an international non-profit that creates play, dignity and social equity for children with disabilities through inclusive playgrounds and education programs that unite children of all abilities. This organization has grown to a powerful network of 80 inclusive, sensory- and literacy-rich playgrounds throughout the world. They have playgrounds in Mexico, Israel, Canada, Ecuador, Russia and throughout the US. There are

another 50 in development nationally, including in Argentina, South Africa, Armenia, the Dominican Republic and more. Their education and community outreach programs transform these playgrounds into classrooms where children with and without disabilities learn to see beyond their differences. These programs eliminate the damaging bias and social isolation that many children with disabilities face, and have reached over 60,000 students in more than 250 schools. Their Together, We Are Able education program has been delivered to educators in 67 countries.
