

# 2 in 1 by Truliva Design Wins Silver in A' Kitchen Furniture Design Awards

*Innovative Water Purifier and Faucet Design Recognized for Excellence in Kitchen Furniture Industry*

COMO, CO, ITALY, September 14, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected and well-recognized award in the field of [kitchen furniture](#) design, has announced [Truliva Design](#) as a winner in the Kitchen Furniture, Equipment and Fixtures Design category for their innovative work titled "2 in 1." This prestigious recognition highlights the significance of the design within the kitchen furniture industry, positioning it as a noteworthy achievement in the field.

The 2 in 1 design by Truliva Design addresses the growing concerns over drinking water quality and the pursuit of a healthy lifestyle, offering a comprehensive solution that integrates dual functions for purified drinking and hygienic cleaning. This innovative approach aligns with current trends and needs within the kitchen furniture industry, advancing standards and practices through its practical benefits and forward-thinking design.

What sets the 2 in 1 design apart is its seamless integration of advanced filtration technology, micro bubble clean technology, and an ultraviolet sterilization light inside the faucet. The dynamic dual outline, IMD full screen, and modern CMF design establish a reliable brand image that conveys professionalism, high performance, and cutting-edge technology. The design's fluid lines and full-screen UI harmonize aesthetically with the water flow, creating a visually striking and functional piece.

This recognition from the A' Kitchen Furniture [Design Awards](#) serves as motivation for the Truliva

2 in 1

Design team to continue their pursuit of excellence and innovation in future projects. By showcasing their commitment to addressing consumer needs and incorporating advanced technologies, Truliva Design aims to inspire further advancements and set new standards within the kitchen furniture industry.

2 in 1 was designed by EJ Huang, Daniel Teng, Huanjun Ding, and the Truliva Design team, each contributing their expertise to create this award-winning design.
