Hiring Challenges Meet a Groundbreaking Solution

As the online shopping boom continues to soar, businesses in the logistics industry are facing a perfect storm of skyrocketing demand and a surge in peak-season hiring for delivery drivers.

There’s never been a greater need to fill roles and hit the ground running than now. DMGgo is known for providing

delivery businesses with a variety of services that help keep operations in order and have recently begun to incorporate [Wedge](#) into its suite of offerings to help these companies with hiring quality candidates faster.

“We strive to provide best-in-class solutions for our customers and are confident WedgeHR is an ideal complement to our existing HR service portfolio,” said Jeff Corte, CEO of DMGgo.

By using Wedge, DMGgo’s clients can address recruitment bottlenecks and stay ahead of

demand. The Wedge platform tackles key hiring pain points like reducing candidate ghosting, speeding up time-to-hire, and removing scheduling headaches by enabling candidates to respond on their own time. This means businesses can quickly connect with the right talent, keeping operations fully staffed and hassle-free.

"With online shopping at an all-time high, businesses need solutions that allow them to scale quickly. We're excited to be part of that solution, helping DMGgo's clients hire faster and stay operational during peak season," said Matt Baxter, CEO of Wedge.
