

# Printed Key Card Holders Introduces Order Management Tool for Streamlined Ordering

*Printed Key Card Holders launched an Order Management Tool, allowing clients to customise orders with various materials for better efficiency.*

LONDON, ENGLAND, UNITED KINGDOM, October 2, 2024 /EINPresswire.com/ -- In a significant leap forward for the key card holder industry, Printed [key card holders](#) has unveiled its innovative Order Management Tool, designed to streamline the online ordering process for businesses and individuals looking to create bespoke key card holders.

This new tool redefines the online ordering process for organisations by providing an interactive platform where customers can simplify and personalise their orders. Users can effortlessly navigate and order between a variety of product design like [simple type key card holders](#), material types, and lamination finishes with this tool.

The tool allows clients to select from materials such as silk paper, gloss paper, uncoated paper, recycled paper, and kraft paper, catering to diverse aesthetic preferences and environmental considerations.

Ravi Patel, the founder of Printed Key Card Holders, stated, "We understand the need for efficiency and personalisation in today's market. Our Order Management Tool enhances the ordering experience and empowers businesses to create unique products that reflect their brand identity. We are excited to offer a solution that combines functionality with sustainability, ensuring that our clients can make informed choices that resonate with their customers."

Empowering Brands to Create Unique Key Card Holders That Reflect Their Identity.

Ravi Patel is a successful entrepreneur who has driven the company's vision to facilitate quality and innovation in products and enhance customer experience. His dedication to understanding market trends and customer needs has positioned Key card holders as a leader in the industry.

### A Revolutionary Step in Print Customisation

The newly launched Order Management Tool represents a revolutionary step in customisation within the key card holders sector. In an era where personalisation is key to brand engagement, this tool allows businesses to create products that truly reflect their brand identity.

Printed Key Card Holders delivers a comprehensive suite of services that go beyond simple card holder production. The company's offerings include:

**Custom Artwork Design:** Clients can collaborate with design experts to create custom artwork that resonates with their brand.

**Variety of Finishes:** With options like soft touch, gloss, and matte lamination, customers can select finishes that best suit their branding and functional requirements.

**Eco-Friendly Options:** The inclusion of recycled and kraft paper options reflects the company's commitment to sustainability and achieving environmental goals.

**Bulk Ordering Capability:** Businesses can efficiently place large orders, making it easier to equip their properties with uniform and professional key card holders that enhance guest experience.

Real-Time Order Tracking: Clients can monitor their order status through the online platform and keep track of their orders.

Patel emphasises this tool's impact on customer relationships: "Our goal is to foster a deeper connection between brands and their customers through tangible products that evoke emotion and loyalty." Printed Key Card Holders aims to transform how businesses approach branding and customer engagement by simplifying the ordering process and enhancing personalisation.

#### Looking Ahead

As the company looks to the future, it is dedicated to continuing its commitment to innovation and quality. By prioritising customer needs and embracing innovation, the company is set to lead the charge in the key card holder industry.
