Hear from Daniel Topple, Senior Vice President of market-leading EB-5 escrow provider Customers Bank, and EB5AN Founders Sam Silverman and Mike Schoenfeld.

Topics for discussion include:

- Current I-526E petition trends: approval times, filing volume, and project type
- Current EB-5 investor trends by country of birth (India/China/Rest of World)
- What these trends mean for new EB-5 investors with pending backlogs
- The significance of exclusive Customers Bank data in analyzing future filings
- How to leverage this wealth of data to make a better-informed EB-5 investment decision

“Our comprehensive analysis of the latest data sources allows us to provide EB-5 investors with unparalleled insights into the current market dynamics,” said Sam Silverman. “Understanding these trends is crucial for investors from China and India who are navigating the complexities of potential visa backlogs.”

“We are committed to empowering our investors with the information they need to make

informed decisions,” added Mike Schoenfeld. “The exclusive data from Customers Bank enhances our ability to provide actionable insights that can significantly impact the success of our clients’ EB-5 investment journeys.”

Created in 1990, the EB-5 Immigrant Investor Visa has long been a gateway to the United States for foreign nationals living abroad, as well as for those already working or studying in the U.S. on nonimmigrant visas, including H-1B, L-1B, and F-1. Thousands of families from all over the world have successfully immigrated by making a job-creating investment in a U.S.-based business enterprise. The EB-5 program has facilitated billions of dollars of foreign direct investment into the United States and created tens of thousands of jobs over the last three decades.

EB5AN is an internationally known EB-5 investment fund manager, regional center operator, and consultancy that has facilitated more than \$1.0 billion of investment under the EB-5 Immigrant Investor Visa program. EB5AN works with firms in multiple industries to create high-quality direct and regional center-sponsored investment offerings throughout the United States, with a total development cost exceeding \$4.1 billion. EB5AN’s portfolio of low-risk investments in world-class business ventures has served over 2,300 immigrant investors from over 60 countries.

Customers Bank is one of the leading EB-5 escrow banks. Customers Bank has served as an escrow agent and banking partner to dozens of EB-5 projects, with total raises in the billions of dollars.
