[NACON](#), a leader in premium gaming accessories and the parent company of the RIG audio brand, proudly announces that the limited edition RIG 600 PRO HS Acid Camo—a collaboration with Wicked Cushions - is available now, exclusively at GameStop.

This exciting upgrade to the 600 PRO Series combines Wicked Cushion's renowned comfort and style with signature RIG features and unmatched audio quality.

The star of the collaboration is the integration of WC PadZ ear cushions by Wicked Cushions, designed exclusively for the 600 PRO HS in acid camo. These cushions feature dense memory foam lined with custom sports fabric, wrapped in a striking camo-patterned PU leather to deliver all-day comfort with a stylish edge.

"Partnering with Wicked Cushions has allowed us to take the RIG 600 PRO to a new level," said Jack Reynolds, Brand Director for RIG. "The integration of Wicked Cushions' unique design and comfort technology with our signature audio performance provides an enhanced experience for gamers."

Or Amzaleg, founder of Wicked Cushions, also expressed his enthusiasm for the partnership:

"We partnered with RIG for our first-ever audio brand collaboration due to their relentless pursuit of innovation and performance. At Wicked Cushions, we've always focused on enhancing comfort and style, and it's clear RIG shares that same passion for pushing boundaries in gaming."
