

VLink Inc. Accelerates Global Expansion with New Offices in India and Canada

Leading IT Solutions Provider Expands International Presence with Third India Location & North American Hub in Canada, Eyes Future Growth in Europe

SOUTH WINDSOR, CT, UNITED STATES, October 14, 2024 /EINPresswire.com/ -- [VLink Inc.](#), a South Windsor, CT-based leader in staffing, software development, and IT consulting, is making significant strides in its global expansion. Building on its robust presence in the APAC region with Global Delivery Centers in Gurugram and Noida, India, VLink is proud to announce the opening of its third India office in Bengaluru, a city known for its thriving tech ecosystem. On the North American front, VLink has also established a new office in Mississauga, Ontario, further strengthening its footprint in the region.

“

This expansion reflects our firm belief in the transformative power of technology. By connecting talented IT professionals across borders, we're not just filling positions, we're building the future”

Gabe Martinez, Global IT Strategist & VLink Sales Exec.

VLink is setting its sights on additional international growth, with plans to potentially open offices in Serbia and London, solidifying its presence across Europe.

Global IT Strategist and VLink Sales Executive, [Gabe Martinez](#) says, “VLink's global expansion reflects our unwavering belief in the transformative power of technology. By connecting talented IT professionals across borders, we're not just filling positions — we're building the future, one innovative solution at a time.”
