The ProChallenge

The ProChallenge soccer clinic not only serves as a platform for aspiring young athletes to hone their skills but also emphasizes the importance of staying healthy and making positive life choices. The event offers much more than soccer drills; it is a day of mentorship and motivation, as former professional soccer players will attend to share their experiences, offer guidance, and deliver motivational speeches. Their inspiring stories will highlight how sports can provide a pathway to success, even beyond the field.

By supporting events like ProChallenge, DriveAway Autos helps promote physical activity and emotional well-being among young people. DriveAway Autos is committed to their social responsibility, and believe that keeping kids active in sports is one of the best ways to protect them from the negative influences of drugs and gangs.

Family Fun and Prizes

DriveAway Autos, recognize that family plays an essential role in the development of strong, successful individuals. That is why they are making this a family-oriented event where everyone can get involved. To show appreciation for the community's support, they will be giving away exciting prizes to the families in attendance. These giveaways are a way of saying thank you to the Houston and Rosenberg families who join them in this mission to uplift our youth and create a brighter future for them.
