Invaluable Additional Benefits
Restricting the membership collection to a finite number of pieces, despite Lara's substantial following of hundreds of thousands, guarantees high demand. This limited availability is likely to drive significant appreciation in value once these items are introduced to the open market.

Membership entitles each holder to one ticket each year to the exclusive Lara Luxury Club Annual Grand Brand Ball. Members can invite one non-member guest, who can purchase a ticket. Each event will feature a charity auction, a raffle and a single ground-floor investment opportunity presentation.

The Annual Luxury Gift Hamper will be personally distributed to NFT holders at the Ball. This high-end-brand 'goodie bag' will inevitably become the most coveted possession in all of Dubai society, containing physical luxuries, opportunities, experiences, invitations & access passes that money simply cannot buy.

Presented to members will be select, exclusive investment opportunities, at ground-floor stages, and A-list art collections, that otherwise would not be available to the retail public.

The club was launched on October 22nd 2024 at the Waldorf Astoria, The Palm.
Founder Membership launch price to be announced.
Be first in the queue to be further informed.

Lara very much looks forward to personally welcoming you to the club.
