

Emily Gray's 'Paper Wings' Takes the #1 Spot on Music's Most Influential Platform for Indie Artists

IPSWICH, UNITED KINGDOM, October 31, 2024 /EINPresswire.com/ -- [aBreak Music](https://aBreakMusic.com), music's leading international indie artist discovery platform, announces that 'Paper Wings' by Emily Gray is the latest #1 on the aBreak58. Check it out at aBreakmusic.com.

Emily Gray is a British alternative singer songwriter based in Catalonia, Spain. Having been heavily influenced by '00s and '10s pop, punk and emo music growing up, Emily's sound fuses elements of folk, pop and alternative music, resulting in an emotional mish-mash of belting vocals, layered harmonies and introspective lyrics.

'Paper Wings' came about as a lyrical response to the song 'Creep' by Radiohead, which had always resonated with Emily every time she played it live. It's so easy to fall into the trap of idolizing people who appear to be 'perfect', to the point where you barely even feel human in comparison. 'Paper Wings' turns this idea on its head and explores how it feels to be wrestled up onto a pedestal and painted as an 'angel', even though you're just as human as everyone else. This track is also the first of Emily's upcoming album, which is being released as a waterfall over the coming year.

“It's actually unbelievable to see my little song all the way up there at the top of the aBreak58,” said Emily Gray. “It means so much to see my music resonate with so many people, and this is such a wonderful opportunity to get my music out there. Music offers me an outlet for my difficult emotions in a way nothing else in life can, and I just hope that by talking about complicated issues through song, I

can help others who are struggling to feel less alone.”

Every two weeks, aBreak Music releases their aBreak58 playlist featuring the Top 58 songs uploaded from indie artists representing multiple genres from around the world. These songs are then rotated on what has become the leading radio station for indie artists, the aBreak58.
