North America was the largest region in the market in 2023. The regions covered in the report are Asia-Pacific, Western Europe, Eastern Europe, North America, South America, Middle East, Africa.

## How Is The Meal Kit Market Defined?

A meal kit is a service that provides and delivers customized food ingredients, pre-cooked meals, semi-prepared food products, and fresh ingredients, allowing customers to conveniently prepare their meals. Meal kits serve as an alternative to grocery shopping, minimizing the need for grocery store trips while being cost-effective in terms of nutrition, time, and expenses, and helping to reduce food waste. They offer convenience and the chance to prepare meals at home in a shorter amount of time.
