EINPresswire.com/ -- [Climate Hive](#) and [Ethix Merch](#) are thrilled to announce a new partnership aimed at advancing ethical practices that support both people and the planet. This collaboration unites two purpose-driven organizations committed to sustainability, fair labor, and creating a more equitable world. Together, they will empower mission-aligned businesses and organizations to deepen their impact on climate action and social justice.

At the core of this partnership lies a shared vision: to honor the dignity of workers and foster a sustainable future. Climate Hive and Ethix Merch serve purpose driven organizations with a large trade show footprint to maximize promotional sustainability and maximize business exposure.

“This partnership is a natural fit,” says Kevin Drolet, CEO of Climate Hive. “By joining forces with Ethix Merch, we can help climate innovators and socially responsible businesses amplify their impact through ethically sourced merchandise and strategic communication. We’re excited to work together toward a sustainable future where people and the planet come first.”

The companies met in the [Climatebase Fellowship](#), a climate career accelerator designed to help ambitious mission-driven professionals supercharge their careers in climate, land their next job, or start their own projects and ventures.
