

Dr. Hadiyah-Nicole Green Joins the Prestigious EBONY Black In Power Council

Dr. Hadiyah-Nicole Green has joined the prestigious EBONY Black In Power Council and attends the 2024 EBONY Power 100 selection process.

LOS ANGELES, CA, UNITED STATES, November 14, 2024 /EINPresswire.com/ -- In honor of Dr. Hadiyah-Nicole Green, a past honoree, and her trailblazing cancer treatment, she joined the highly esteemed EBONY Black In Power Council ranks. This distinguished Council plays a crucial role in identifying and celebrating the remarkable contributions of exceptional individuals across various sectors who are driving positive impact within our culture and beyond. With an impressive track record of breaking barriers and advocating for affordable and effective healthcare, Dr. Green brings an invaluable perspective to this year's [EBONY Power 100](#) selection process.

In 2016, Dr. Green was honored and distinguished by EBONY Power 100 as one of the 100 Most Influential African Americans in the United States for developing a cancer-killing technology that eliminates tumors in mice after one 10-minute treatment and starting a nonprofit to ensure affordability.

"I am genuinely excited to be a part of the prestigious EBONY Black In Power Council. As a legacy recipient of this honor, I am grateful for the opportunity to play it forward by nurturing EBONY's culture of recognizing and celebrating excellence," said Dr. Hadiyah-Nicole Green. "I know how it feels to be a hidden figure for globally impactful and transformative contributions. I support this important work to help end recognition disparities and funding disparities in our community," Dr. Green continued.

With her thoughtful insights, unwavering dedication, and commitment to excellence, Dr. Green's

Dr. Hadiyah-Nicole Green is a STEM pioneer, leader, and humanitarian entrepreneur.

passion for recognizing and uplifting the achievements of worthy members of society aligns perfectly with the mission of the Power 100 Council.

Dr. Green has been confirmed to attend the prestigious Power 100 Gala, set to take place at Nya West in Los Angeles on Sunday, November 17, 2024. This gala event is a tribute to the excellence and influence of Black leaders across various industries, and Dr. Green's presence will undoubtedly add to the significance of the occasion.
