About the Book

How do you stay alive when everybody wants you dead?

The Devil Hound follows the harrowing journey of two Romani brothers as they escape the wrath of a corrupt and vengeful priest determined to destroy them for their ethnicity and as witnesses to his heinous crimes. Their perilous flight takes them from old Europe to the New World, arriving in 1753 amid the brewing conflict between France and England. Armed with courage and their inheritance from a circus owner, the brothers embark on a desperate quest to reunite with their mother, with the malevolent priest never far behind.
