

# eStruxture Joins the Ranks of North America's Elite: Winner of the 2024 Deloitte Technology Fast 500™ Award

*Powered by people, driven by sustainability, and dedicated to transforming Canada's digital infrastructure.*

MONTREAL, QC, CANADA, November 21, 2024 /EINPresswire.com/ -- [eStruxture](#) today announced it ranked among the winners of the Deloitte Technology Fast 500™, a ranking of the 500 fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies in North America, now in its 30th year, Deloitte has grown tremendously during this period.

eStruxture's Founder, President, and CEO, [Todd Coleman](#), credits people, an innovative spirit, and an unwavering dedication to growing digital infrastructure in Canada with the company's exponential revenue growth.

He said, "This recognition is a true honor and a reflection of the incredible journey eStruxture has undertaken. It highlights not only our impressive growth but also the relentless dedication and talent of our team, who bring their passion and expertise to every challenge. Our success is rooted in the people who believe in our mission, and I couldn't be prouder of what we've accomplished together. As we look ahead, we remain committed to driving innovation and advancing Canada's digital infrastructure landscape."

"For 30 years we've been celebrating companies that are actively driving innovation. The software industry continues to be a beacon of growth, and the fintech industry made a strong showing on this year's list, surpassing life sciences for the first time," said Steve Fineberg, vice chair, U.S. technology sector leader, Deloitte. "Significantly, we also saw a breakthrough in performance of private companies, with the highest number of private companies named to the list in our program's history. This year's winners have shown they have the vision and expertise to continue to perform at a high level, and that deserves to be celebrated."

"Innovation, transformation and disruption of the status quo are at the forefront for this year's Technology Fast 500 list, and there's no better way to celebrate 30 years of program history," said Christie Simons, partner, Deloitte & Touche LLP and industry leader for technology, media and telecommunications within Deloitte's Audit & Assurance practice.

“This year’s winning companies have demonstrated a continuous commitment to growth and remarkable consistency in driving forward progress. We extend our congratulations to all of this year’s winners — it’s an incredible time for innovation.”

Overall, 2024 Technology Fast 500 companies achieved revenue growth ranging from 201% to 153,625% over the three-year time frame, with an average growth rate of 1,981% and median growth rate of 460%.

### About the 2024 Deloitte Technology Fast 500

Now in its 30th year, the Deloitte Technology Fast 500 provides a ranking of the fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies — both public and private — in North America. Technology Fast 500 award winners are selected based on percentage fiscal year revenue growth from 2020 to 2023.

In order to be eligible for Technology Fast 500 recognition, companies must own proprietary intellectual property or technology that is sold to customers in products that contribute to a majority of the company’s operating revenues. Companies must have base-year operating revenues of at least US\$50,000, and current-year operating revenues of at least US\$5 million. Additionally, companies must be in business for a minimum of four years and be headquartered within North America.
