

# Wabi Sabi Elegance by Chaoyi Interior Design Wins Bronze in A' Interior Design Awards

*Chaoyi Interior Design's Wabi Sabi Elegance Residence Recognized for Excellence in Interior Space and Exhibition Design*

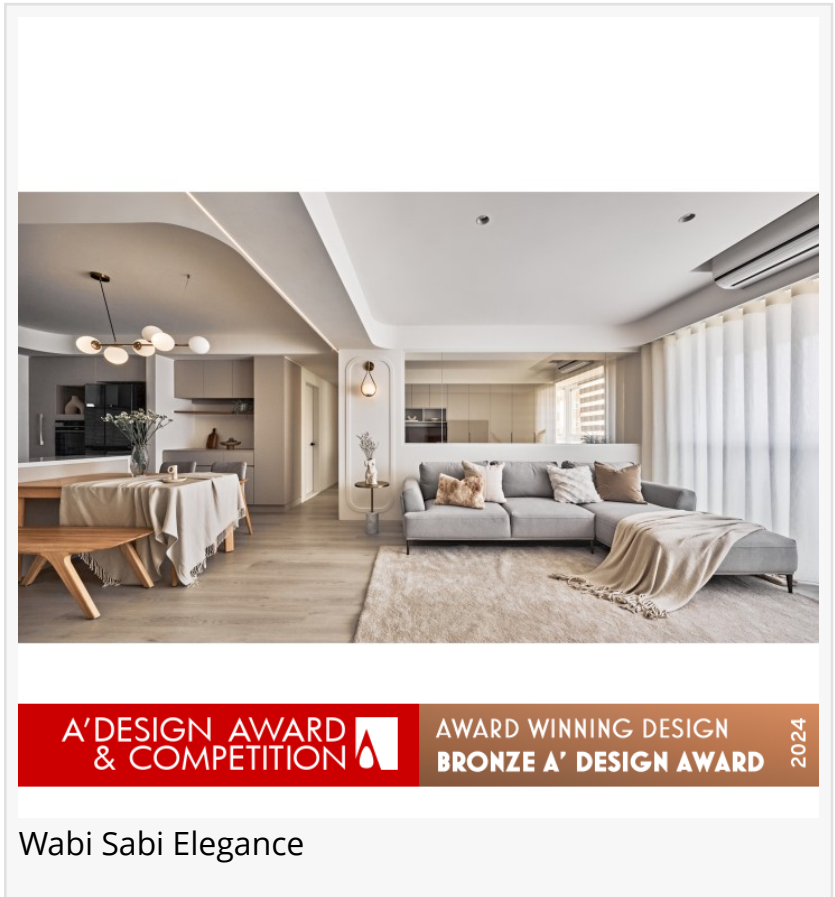

COMO, CO, ITALY, November 25, 2024 /EINPresswire.com/ -- The A' [Design Award](#), one of the world's most respected design competitions, has announced [Chaoyi Interior Design's](#) "Wabi Sabi Elegance" as the Bronze winner in the [Interior Space and Exhibition Design](#) category. This prestigious recognition highlights the exceptional quality and innovation of the winning design within the interior design industry.

Wabi Sabi Elegance showcases Chaoyi Interior Design's ability to create a serene and elegant living space that

aligns with current trends in minimalism and sustainability. The design offers practical benefits for users, such as a stress-free atmosphere and comfortable scale, while advancing industry standards through its innovative use of materials and lighting.

The award-winning residence features a pure color scheme with a cream-colored latex paint base, creating a sense of elegance and grace when natural light fills the space. Rounded elements outline the ceiling of each area, emphasizing the theme of harmony and tranquility. The design team skillfully addressed the challenges of a low ceiling and structural beams by applying contrasting heights and incorporating curved designs to eliminate sharp corners.

This recognition from the A' Interior Design Awards serves as motivation for Chaoyi Interior Design to continue pushing the boundaries of design excellence and innovation. The award validates their commitment to creating spaces that prioritize the well-being of users while

advancing the field of interior design.

Wabi Sabi Elegance was designed by Li-Hao Ou and Wang-Lin Lei of Chaoyi Interior Design. Their expertise in space planning, material selection, and lighting design contributed to the project's success.
