

Star Travel Tod Flat by Tim Tan and Fiona Liu Wins Bronze in A' Interior Design Awards

Innovative Residential Space Recognized for Excellence in Design, Functionality, and Cultural Relevance

COMO, CO, ITALY, November 25, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected international design competition, has announced Star Travel Tod Flat by [Tim Tan and Fiona Liu](#) as the Bronze winner in the [Interior](#) Space and Exhibition Design category. This prestigious recognition highlights the exceptional design and innovation demonstrated in this residential space, setting it apart as a leader in the interior design industry.

The Star Travel Tod Flat showcases the importance of efficient and integrated living spaces that align with modern lifestyles. By combining intelligent

systems, optimized storage, and thoughtful scene construction, this design offers a refined and upgraded approach to residential interiors. The practical benefits of this innovative design extend to users, the industry, and stakeholders, emphasizing its relevance and utility within the interior design landscape.

What sets the Star Travel Tod Flat apart is its ability to transform plain living spaces into a canvas for interior design. The designers skillfully connected the living room, dining room, and study to create a spacious horizontal hall that serves as the core activity area, accommodating the family's entertainment needs. The open layout and the incorporation of a "home library" wall cater to the owner's reading habits, providing a personalized and functional space that records the essence of their life.

This recognition from the A' Design Award serves as a testament to the talent and dedication of

Star Travel Tod Flat

Tim Tan and Fiona Liu, inspiring them to continue pushing boundaries and exploring innovative design solutions. The Star Travel Tod Flat not only showcases their expertise but also sets a new standard for residential interior design, encouraging the industry to prioritize efficiency, integration, and cultural relevance in future projects.

Project Members

Star Travel Tod Flat was designed by a talented team led by Tim Tan, the Design Director and Founder, who brought over 20 years of experience in interior and soft design to the project. Fiona Liu, the Design Director, played a crucial role in the project's success, ensuring accurate customer positioning analysis, simple item collocation, and spatial expression techniques that break traditional thinking.
