

# SPA Wins Prime Contractor Spot on \$33 Billion DTIC Information Analysis Center Multiple Award Contract

ALEXANDRIA, VA, UNITED STATES,  
November 25, 2024 /

EINPresswire.com/ -- Systems Planning & Analysis (SPA), a leading global provider of advisory services in support of critical national security objectives, has been awarded a prime contract on the Defense Technical Information Services' Information Analysis Center (DTIC-IAC) indefinite-delivery/indefinite-quantity, multiple award contract (MAC) for research and development under Full and Open Pool 1. The vehicle has a \$33 billion ceiling and runs through September 2027.

SPA CEO Rich Sawchak

The contract provides for the Information Analysis Center to support research and development across the Department of Defense in 22 scientific and technical areas. Work will be performed in various locations.

“

I am thrilled that our talented team members will provide support and solutions to help the IAC achieve new levels of excellence.”

*SPA CEO Rich Sawchak*

SPA CEO Rich Sawchak commented, “We are excited to contribute our deep expertise in multiple fields to clients under this contract vehicle, including [modeling and simulation](#), critical infrastructure protection, and [homeland security](#). The range of required services aligns well with SPA’s strengths, and I am thrilled that our talented team members will provide support and solutions to help the IAC achieve new levels of excellence.”

SPA also holds a prime contract, since 2018, under Small Business Pool 2 as partner in the SPA-Envisioneering Joint Venture.
