Benjamin Maillard, Head of Free2move North America.

marks the beginning of the holiday season, which is peak travel time across the country. Free2move is driven to create innovative solutions that offer the freedom of mobility anytime, anywhere to everyone. Through a single app, travelers can access vehicles across the USA and Europe, making Free2move a great solution for flexible mobility.

Free2move puts the customer experience at the heart of its solutions. Through the Free2move app, travelers can seamlessly access vehicles by the minute, by the day, and by the month, ensuring that their transportation needs are

met quickly and conveniently.

"Free2move is committed to customer experience – it's part of our DNA," shares Benjamin Maillard, Head of Free2move North America. "Our app is simple and easy to use, and our customers can pick up vehicles directly at airports across the country. For those traveling to Europe, our customers can also benefit from our car-sharing mobility hubs in most major cities, for minute-to-minute vehicle access."

In addition to prioritizing customer satisfaction, Free2move is also dedicated to sustainability. By offering well-maintained, low-emission, and electric vehicles, Free2move is actively contributing to a greener planet. The company's goal is to optimize vehicle usage and make EV access easy and operational, working towards carbon neutrality by 2050.

Free2move car rentals are available at airports across the United States, including Atlanta, Charlotte, Chicago, Dallas, Denver, Las Vegas, Los Angeles, Miami, New York, and Orlando. For those traveling to Europe, Free2move also offers rentals at airports across the continent, as well

as minute-to-minute car-sharing in many major European cities, as well as in Washington D.C.

With its unwavering dedication to data-driven innovation and sustainability, Free2move hopes to transform the mobility landscape and revolutionize the way people move, with a seamless and accessible travel experience for all.
