Inspired by her personal struggle with acid reflux that made traditional wines unappealing, Tornabene developed a collection of low-acidity wines that cater to a range of preferences while staying gentle on the palate. Each bottle reflects her mission to make wine approachable and enjoyable for all.

The Tornabene Difference

- Low Acidity, Maximum Enjoyment: Tornabene wines are smooth and full-flavored, perfect for those with

sensitivities.

- Innovative Offerings: From the chilled Cabernet Sauvignon to the health-conscious Mimosa Magic, Tornabene Wine offers fresh takes on classic favorites.
- Premium Ingredients: Made with Napa Valley and Lodi grapes, the wines are aged in American oak barrels, adding depth and complexity.

Empowering Others Through Wine
Italia Tornabene's passion extends beyond wine. Through her nonprofit, EmpowerHer Journey, 2% of every bottle sold supports single mothers with resources such as childcare, education, and business mentorship. This commitment reflects her dedication to helping others overcome challenges, just as she has in her own life.

For Wine Lovers, By a Wine Lover
Tornabene Wine is designed for people who simply enjoy wine—no need to be an expert. It's perfect for millennials, the largest demographic of wine drinkers in the U.S., who value innovative, easy-to-drink options for any occasion.
