

# Mea Era by Kaisu Tullinen Wins Bronze in A' Jewelry Awards

*Kaisu Tullinen's Mea Era Jewelry Set Recognized for Exceptional Design and Craftsmanship in Prestigious A' Design Awards*

COMO, CO, ITALY, December 2, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected and well-recognized award in the field of [jewelry](#) design, has announced Mea Era, a distinctive jewelry set designed by [Kaisu Tullinen](#), as the Bronze winner in the Jewelry Design category. This prestigious recognition highlights the exceptional design and craftsmanship of Mea Era, which combines the inspiration of the Art Deco era style with modern enameling and stone setting techniques.

Mea Era

The Mea Era jewelry set's unique design and high-quality craftsmanship make it a standout piece that aligns with current trends in the jewelry industry. The set's plump effect enameling and the luxurious emerald color create a distinctive and modern take on the Art Deco style, offering a fresh perspective on classic design elements. This innovative approach not only appeals to jewelry enthusiasts but also pushes the boundaries of traditional jewelry design, inspiring future trends and advancements in the field.

Mea Era showcases Kaisu Tullinen's exceptional skills in combining various techniques, such as enameling and stone setting, to create a cohesive and visually striking jewelry set. The challenging plump effect enameling technique used in the design adds depth and dimension to the pieces, while the faceted stones in the center of the pattern provide a stunning contrast to the round, emerald-colored enamel shapes. The ring frame itself features facets that complement the enameled top, resulting in an unusual and eye-catching design that is both functional and aesthetically pleasing.

Winning the Bronze A' Design Award in the Jewelry Design category serves as a testament to Kaisu Tullinen's dedication to her craft and her ability to create innovative, high-quality jewelry pieces. This recognition will undoubtedly inspire Kaisu Tullinen and her team at Kaiku Koru to continue pushing the boundaries of jewelry design, exploring new techniques and materials, and creating pieces that resonate with customers and industry professionals alike. As Mea Era gains international exposure through this award, it has the potential to influence future jewelry design trends and set new standards for craftsmanship and creativity in the industry.
