

Sharifah Hardie for California Governor: A Bold, People-First Leader Who Will Turn California Around

Sharifah Hardie for California Governor: A bold, people-first leader committed to turning California around and fighting for everyday citizens, not the elite.

LONG BEACH, CA, UNITED STATES, December 2, 2024 /EINPresswire.com/ -- California is in crisis, and it's clear that what California needs now is real leadership—not more of the same tired, out-of-touch, and self-serving political elites.

Governor Gavin Newsom's lavish lifestyle, including his recent purchase of a \$9.1 million mansion in Marin County, exemplifies the disconnect between the people and the politicians who claim to represent them.

Californians deserve more than fat-cat politicians who are only interested in their own wealth and status. They need someone who truly understands the struggles of everyday people and has the courage to fight for real change.

That person is [Sharifah Hardie](#).

Sharifah Hardie is not your typical political candidate. She is a woman of the people, an accomplished author, serial entrepreneur, and community leader who has spent decades building successful ventures while helping others achieve their dreams.

As the President of the Southern California Black Chamber of Commerce (Long Beach Area) and as a [business consultant](#), Sharifah Hardie is deeply embedded in her community and dedicated to fostering growth and opportunity for all Californians.

“

California deserves a leader who prioritizes the people, not those padding their own pockets. I am ready to fight for real change and put money back in the hands of everyday Californians.”
