

# From War Zone to an 8 Figure Exit, Power Couple Launches Shift Intelligence with Proven Systems to Transform Businesses

*Ivan & Mariana Polic escaped war-torn Serbia, turned a failing aerospace company into an 8-figure exit, now launch Shift Intelligence.*

LOS ANGELES, CA, UNITED STATES, December 4, 2024 /EINPresswire.com/ -- Shift Intelligence, a

No matter what the situation is, there is a special custom process or pathway for you, a pathway through to your dreams. That dream is still alive, no matter where you find yourself right now."

*Ivan Polic*

business transformation system developed by former aerospace manufacturing executives Ivan and Mariana Polic, announces remarkable success metrics across multiple industries, following the founders' eight-figure company exit completed in just six days.

The systems, born from the Polics' experience rebuilding their aerospace manufacturing company after losing 97% of revenue in 2008, has demonstrated significant results across various sectors. Recent client successes include a consulting firm that grew from \$2M to \$5M while reducing

operational hours by 75%, and a seasonal construction company that doubled revenue to \$4M while achieving unprecedented employee retention.

"No matter what the situation is, there is a special custom process or pathway for you, a pathway through to your dreams," says Ivan Polic, former professional soccer player turned aerospace entrepreneur.

The Shift Intelligence methodology focuses on five key areas: organizational alignment, financial clarity, business systems optimization, exit strategy development, and ultimately - founder freedom. The system has proven particularly effective in partner separation negotiations and business turnarounds.

The Polics recognize businesses face increasing pressure to adapt to rapid market changes. Their approach, developed through their experience in crisis management—from escaping war-torn Serbia to navigating the 2008 financial crash—offers a systematic framework for business transformation.

Mariana shares, "It is more difficult doing it alone, but doing it together makes the journey better and success more possible."
