Pacemakers Global Market Report 2024 - Market Size, Trends, And Global Forecast 2024-2033

The pacemakers market is projected to expand, from \$5.23 billion in 2023 to \$5.57 billion in 2024, with a CAGR of 6.3%. This growth is attributed to an aging population, rising cardiovascular diseases, lifestyle-related health issues, and increased regulatory approvals for heart attack survivors.

The pacemakers market size is expected to see strong growth in the next few years. It will grow to \$7.25 billion in 2028 at a compound annual growth rate (CAGR) of 6.9%."

Who Are The Top Market Players Contributing To The Growth Of The Pacemakers Market?

Major companies operating in the market include Boston Scientific Corporation, ZOLL Medical Corporation, Medtronic plc Biotronik Medical Devices India Pvt Ltd., MicroPort Scientific Corporation, Cook Medical Incorporated, MEDICO S.p.A., Shree Pacetronix Ltd., Oscor Inc., Osypka Medical GmbH, Abbott Laboratories, LivaNova PLC, Lepu Medical Technology(Beijing)Co Ltd., Cordis Inc., Vitatron Holding B.V., Integer Holdings Corporation, Zoll Medical Corporation, Synapse Biomedical Inc., Pacetronix Limited, A&E Medical Corporation, Cardiac Rhythm, Sorin Group Italia S.r.l., Galix Biomedical Instrumentation Inc., Imricor Medical Systems Inc., Sterimed Group, Edwards Lifesciences Corporation, Aleva Neurotherapeutics SA, Adiant Medical Inc., SMT Medical GmbH & Co. KG, Spacelabs Healthcare Inc., BioTrace Medical Inc.

What [Emerging Trends Are Affecting The Size Of The Pacemakers Market?](#)

Companies in the market are developing advanced miniaturized pacemakers to reach more customers and increase revenue. These compact devices regulate heart rhythm without the need for leads or wires. In May 2023, Medtronic plc, a US-based medical device company, announced FDA approval for the Micra AV2 and Micra VR2, the world's smallest leadless pacemakers. These new devices offer longer battery life, up to 16 to 17 years, and enhanced programming, with the Micra AV2 also incorporating autonomous AV synchrony, improving heart chamber coordination.

How Is the Global Pacemakers Market Segmented?

The pacemakers market covered in this report is segmented –

- 1) By Type: MRI Compatible Pacemaker, Conventional Pacemaker
- 2) By Technology: Single-Chamber Pacemaker, Dual-Chamber Pacemaker, Biventricular or CRT Pacemaker
- 3) By Implantability: Implantable Pacemaker, External Pacemaker
- 4) By Application: Congestive Heart Failure, Arrhythmias, Bradycardia, Tachycardia
- 5) By End-User: Hospitals, Cardiac Care Centres, Ambulatory Surgical Centres, Other End Users

Geographical Analysis: North America Emerges as the Pacemakers Market Leader

North America was the largest region in the pacemaker market in 2023. Asia-Pacific is expected to be the fastest-growing region in the forecast period. The regions covered in the pacemakers market report include Asia-Pacific, Western Europe, Eastern Europe, North America, South America, Middle East and Africa.

Pacemakers Market Definition and Overview

Pacemakers refer to small devices that are placed in the chest to help control the heartbeat. It is being used to prevent the heart from beating too slowly. The pacemaker is used to treat fainting spells, congestive heart failure, and hypertrophic cardiomyopathy.

The Pacemakers Global Market Report 2024 from The Business Research Company includes the following key information:

- Market size data for both historical and future periods
- Analysis of both macro and microeconomic factors that have impacted the market over the past five years
- Regional market analysis covering Asia-Pacific, China, Western Europe, Eastern Europe, North America, the USA, South America, and the Middle East and Africa
- Country-specific market analysis for Australia, Brazil, China, France, Germany, India, Indonesia, Japan, Russia, South Korea, the UK, and the USA.

Overview of the Global Pacemakers Market Report: Trends, Opportunities, Strategies, and More
The Pacemakers Global Market Report 2024 from The Business Research Company is an extensive resource that delivers insights into pacemakers market size, pacemakers market drivers and trends, pacemakers market major players, pacemakers competitors' revenues, pacemakers market positioning, and pacemakers market growth across geographies. This report provides valuable in-depth insights into potential opportunities and strategies. Companies can utilize the information presented to target segments with the greatest growth potential.
