LA CANADA FLINTRIDGE, CA, UNITED STATES, December 3, 2024
/EINPresswire.com/ -- [Flintridge Sacred Heart](#) Academy is proud to announce the completion of its newly renovated high school building with a ribbon-cutting ceremony on Thursday, December 5 at 5:30 p.m. This event marks the culmination of the Legacy of Love campaign, paying tribute to the enduring influence of Sister Carolyn McCormack, O.P., and the Dominican Sisters of Mission San Jose.

“With this transformation, we are creating a legacy that will have a lasting impact on future generations of students,” shared Sister Carolyn, O.P., who served as president of Flintridge Sacred Heart Academy for 21 years. “This embodies our unwavering commitment to nurturing an environment where every student can thrive. Beyond mere walls, we are fortifying the foundation of our educational mission—a Mission steeped in faith, integrity, and truth.”

Highlights of the renovation include state-of-the-art classrooms built to inspire inquiry-based learning, as well as a faculty collaboration space, and redesigned entrance. “Thank you for dreaming of a place where I could be an athlete and a dancer, a student and a leader, a friend, and a sister,” said Adelina ‘25 (Addy), a senior and this year’s ASB Campus Minister. “When I first came to Flintridge Sacred Heart Academy, the overwhelming sense of community stood out to me—a feeling that has remained constant throughout my four years. construction reflects that spirit of community. It means the world to me that I've grown into the best version of myself, in state-of-the-art classrooms, and facilities. Even more special is knowing that when I graduate this spring, these incredible resources will be here for my younger sisters, Olivia '27 and Nola '28 to enjoy."

The Vision for Veritas initiative in 2016 laid the groundwork with the expansion of the Mozilo Family Center for the Arts, uniting all visual and performing arts under one roof to foster organic collaboration and cross-disciplinary engagement by students and teachers.
