

Legendary Rock Band 'Bush' to Play Thursday, June 26th at Lakes Jam 2025 Presented by Grand Casino Mille Lacs

Bush is defined by platinum albums, big hits and an evolving, heavy, grunge-inspired sound.

BRAINERD, MN, UNITED STATES, December 6, 2024 /EINPresswire.com/ -- Lakes Jam is thrilled to announce that iconic rock band Bush will be headlining the 2025 festival. Known for their hits "Glycerine," "Machinehead," and "Comedown," Bush will be performing on the Busch Light Main Stage at 10:00 p.m. on Thursday, June 26th, 2025.

Formed in 1992, this British rock band rose to fame in the mid-1990s with their debut album *Sixteen Stone*, which became a multi-platinum album.

Fronted by charismatic lead vocalist and guitarist Gavin Rossdale, the band quickly gained international recognition for their grunge-inspired sound, blending heavy guitar riffs with melodic hooks.

After a brief hiatus in the early 2000s, Bush reunited in 2010, reinvigorating their fan base with new music including the album *Golden State*, which has a rawer rock sound, and *The Kingdom* with a heavier, more aggressive sound. Bush will be the hard-rocking headliner topping off a night of bands in heavy, metal and grunge-inspired sounds.
