CEO of Indoor Golf Design*

rooms that consistently impress our clients and their guests.”

IGD's unique approach combines cutting-edge technology with unparalleled design expertise. The company's 3D rendering capabilities allow clients to visualize their custom space before installation begins. This attention to detail, coupled with IGD's ability to seamlessly integrate with architects, builders, and interior designers, ensures a flawless execution of each client's vision.

IGD
INDOOR GOLF DESIGN
A Top Indoor Golf Simulator Installer

Indoor Golf Design combines extensive knowledge of golf, technology, and construction to deliver unparalleled simulator experiences. Our team, composed of professionals with backgrounds in design, construction, manufacturing, and professional golf instruction, is dedicated to providing world-class service and innovative solutions.

Our luxury one of a kind showroom in Chandler, AZ, has hosted a diverse clientele, including world-renowned golf club manufacturers, Hollywood A-list actors, professional athletes, C-suite executives, ultra-high-net-worth individuals, and golf professionals. We pride ourselves on creating unique, high-end experiences that "wow" even the most discerning individuals. Years of in-house research and development, proprietary systems, and a fun, functional design process contribute to our unmatched service.

Architects, builders, and designers will find value in our team's experience and attention to detail. We collaborate with top firms to enhance portfolios with sought-after features tailored to high-end clientele.

Beyond golf, our multi-sport, shooting, and racing simulators cater to those with exotic tastes, ensuring a versatile entertainment solution. At Indoor Golf Design, our mission is to serve and exceed expectations with every project.

The Finest Custom Golf Simulator Experience

Our approach integrates design, custom manufacturing, and installation into a seamless process executed by a single team of talented professionals. We believe a golf simulator should be unique and custom-fitted to a client's space and needs, ensuring a personalized and engaging experience from start to finish.
