

Meet Docdraft.ai: The First AI-Powered General Counsel Built for Small Businesses and Individuals Exceeds Expectations

DocDraft is the first AI-enabled general counsel for SMBs, merging technology with legal professionals to provide fast, customized legal document services.

NEW YORK, NY, UNITED STATES,
December 10, 2024 /

EINPresswire.com/ -- Docdraft.ai, the first-ever AI-enabled general counsel

with a human touch, is proud to announce it has exceeded expectations following its soft launch. In just four months, the groundbreaking platform has drafted over 3,000 legal documents, making it one of the most used legal drafting programs and most tested in the marketplace. As the first AI-enabled general counsel for small businesses, DocDraft merges cutting-edge

Docdraft.ai, the first-ever AI-enabled general counsel with a human touch,

“

"We are reshaping the legal landscape for small business owners, entrepreneurs, lawyers, and individuals who demand efficient, reliable legal solutions,"

Taher Hassonjee, co-founder and CEO of DocDraft.

technology with the seasoned judgment of legal professionals to provide fast, customized legal document services, giving access—wherever and whenever its needed.

In today's fast-paced business environment, small business owners often need help with the complexities of legal requirements. DocDraft puts those challenges aside. It leverages advanced AI technology to draft customized legal documents and identify potential risks and vulnerabilities, while it connects users with a network of vetted [attorneys](#) for more specialized needs. All this is

achieved through a seamless, easy-to-use, affordable platform that works in minutes, giving small business owners peace of mind. Essentially, DocDraft puts a lawyer in everyone's pocket.

"We are reshaping the legal landscape for small business owners, entrepreneurs, lawyers, and individuals who demand efficient, reliable legal solutions. Our unique approach of pairing AI with reviews from highly experienced attorneys provides customization, efficiency, and affordability for our clients and new business, paired with a better workflow for our attorneys," said Taher

Hassonjee, co-founder and CEO of DocDraft.

DocDrafts mission is to make professional legal support accessible and affordable for entrepreneurs so they can focus on growing their business with confidence. And with over 10,000 bespoke documents, it already is ensuring each client receives tailored advice and actionable insights.

For attorneys, DocDraft catalyzes practice growth by streamlining processes and linking them with vetted clients, enhancing their ability to offer outstanding legal counsel. Once connected with clients, lawyers are experiencing an over 80% retention rate.

A New Era of Legal Support: AI Meets Human Expertise

DocDraft is designed to meet the unique legal demands of small businesses, offering:

- **AI-Powered Document Drafting:** Generate customized legal documents in minutes, from contracts to LLC formations, intellectual property applications, and more.
- **Attorney Matching Service:** Get quick access to vetted legal professionals who specialize in your specific business needs.
- **Legal Process Roadmapping:** Step-by-step guidance to confidently navigate complex legal processes.
- **Legal Fee Transparency:** No surprises—DocDraft offers transparent, upfront pricing for all legal services.
- **Document Review Services:** Ensure all legal documents meet the highest standards with AI-assisted review and optional attorney oversight.

DocDraft is flexible enough to help entrepreneurs write any standard legal document, including contracts, agreements, wills, trusts, power of attorney documents, legal briefs, memoranda, incorporation documents, company bylaws, bankruptcy filings, deeds, leases, cease and desist letters, litigation documents, intellectual property applications, immigration forms, and more.

The [AI-driven](#) platform learns a business inside and out, getting smarter as usage increases.

Small businesses can expect

- **Smoother Document Creation:** Asking a few questions suggesting clauses based on past choices and drafting faster
- **Start-to-finish Support:** Helps manage documents and reminds about deadlines and renewals
- **Proactive Problem Solving:** Spots potential problems, suggests solutions and keeps up-to-date on requirements.
- **Smarter Business Insight:** Compare legal work to similar businesses, evaluate legal spending, and suggest ways to save time and money on legal tasks.

Starting at just \$9.99 per month, DocDraft's subscription plans are designed to be flexible, affordable, and tailored to the needs of small businesses and individuals alike. This emphasis on affordability aims to make small business owners feel financially secure, knowing that they can

access professional legal support without breaking the bank. It prioritizes the security and privacy of all user data with state-of-the-art encryption and a commitment to safeguarding client confidentiality. Importantly, DocDraft never trains its AI on client data, ensuring complete control over who can access each document.

DocDraft aims to become the "TurboTax of Legal Services" for small businesses, providing a smart, AI-driven platform that evolves alongside a business's needs. As businesses use DocDraft more, the platform becomes increasingly adept at anticipating and addressing their legal requirements. The more it's used, the smarter it gets, making it an indispensable tool for managing legal affairs.

About DocDraft

Created by a team of lawyers, technologists, and AI experts, DocDraft is an innovative AI-powered legal platform that provides affordable, accessible, and customizable legal support to small businesses and individuals. It aims to streamline the legal process, reduce costs, empower business owners to confidently navigate their legal needs, and give them more time and resources to grow their business. From document generation to attorney connections, DocDraft is the all-in-one legal solution for modern entrepreneurs. For more information, please visit www.docdraft.ai.
