

# Ayaz by Yaser and Yasin Rashid Shomali Wins Iron in A' Architecture Awards

*Shomali Design Studio's Innovative Villa Design Recognized for Excellence in A' Architecture, Building and Structure Design Category*

COMO, CO, ITALY, December 11, 2024 /EINPresswire.com/ -- Ayaz, a captivating villa design by [Yaser and Yasin Rashid Shomali](#), has been honored with the prestigious Iron A' [Design Award](#) in the [Architecture, Building and Structure Design](#) category. The A' Design Award is a highly respected recognition in the field of architecture, celebrating designs that demonstrate exceptional skill, innovation, and adherence to rigorous industry standards.

This recognition highlights the relevance of Ayaz to current trends and needs within the architecture industry. The design seamlessly blends local traditions with modern comforts, creating a harmonious retreat that aligns with the evolving expectations of villa owners. By showcasing the practical benefits of Ayaz's innovative features, this award underscores the design's potential to advance industry practices and inspire future projects.

Ayaz stands out for its unique fusion of local architectural traditions and contemporary elements. The villa's sloping roofs, inspired by the area's vernacular architecture, reach near ground level, adding both structural strength and visual distinctiveness. Through meticulous attention to detail, the use of cutting-edge technology, and a seamless integration of local aesthetics and modern comforts, Ayaz offers a serene retreat that harmonizes with its natural surroundings.

The Iron A' Design Award serves as a testament to Shomali Design Studio's commitment to

Ayaz

excellence and innovation in villa design. This recognition will undoubtedly inspire the studio to continue pushing the boundaries of architectural design, exploring new ways to create spaces that enhance the lives of those who inhabit them. By setting a high standard for villa design, Ayaz has the potential to influence future projects and contribute to the advancement of the architecture industry as a whole.

Ayaz was brought to life through the collaborative efforts of a talented team. Yaser Rashid Shomali served as the lead designer, bringing his unique vision and expertise to the project. Yasin Rashid Shomali, an accomplished architect, played a crucial role in realizing the design. The client, Adel Taghipour, provided valuable input and support throughout the process.

#### About Yaser and Yasin Rashid Shomali

Shomali Design Studio, founded by brothers Yaser and Yasin Rashid Shomali, is a renowned architectural and design firm based in Iran, specializing in villa design. With their unique vision and expertise, they create exceptional spaces that seamlessly blend functionality and aesthetics. Shomali Design Studio's portfolio showcases their versatility in creating captivating villa designs, spanning contemporary to traditional styles. Their work has earned them international recognition through prestigious architecture awards.

#### About A' Design Award

The Iron A' Design Award is a prestigious recognition granted to designs that meet the rigorous professional and industrial standards set by the A' Design Awards. Recipients of this award are acknowledged for their practical innovations and contributions to their respective fields, providing solutions that improve quality of life and foster positive change. The Iron A' Design Award celebrates designs that demonstrate a solid understanding of design principles, showcase creativity in their execution, and address real-world challenges through thoughtful design.

#### About A' Design Award

The A' Architecture, Building and Structure Design Award is a highly esteemed competition that recognizes outstanding achievements in architectural design. Welcoming a diverse range of participants, from star architects to leading construction companies, this award provides a platform to showcase innovative design visions and gain global recognition. Entries undergo a rigorous blind peer-review process, evaluated by an expert jury panel based on pre-established criteria. By participating in this award, entrants contribute to the advancement of the architecture field and inspire future trends. The A' Design Award, now in its 16th year, is driven by a philanthropic mission to enhance society through the power of good design, motivating designers and brands to develop superior products and projects that positively impact the global community.
