

Naxos Catalog Now Available on DISCO

LOS ANGELES, CA, UNITED STATES,
December 16, 2024 /

EINPresswire.com/ -- DISCO, the leading platform in music and media management, is thrilled to announce the addition of Naxos. With one of the oldest and most comprehensive classical music catalogs, licensors around the world will now have access to delve into their rich and diverse offering with unprecedented ease. Naxos' presence on DISCO greatly streamlines the search and discovery process for music supervisors, brands, and agencies.

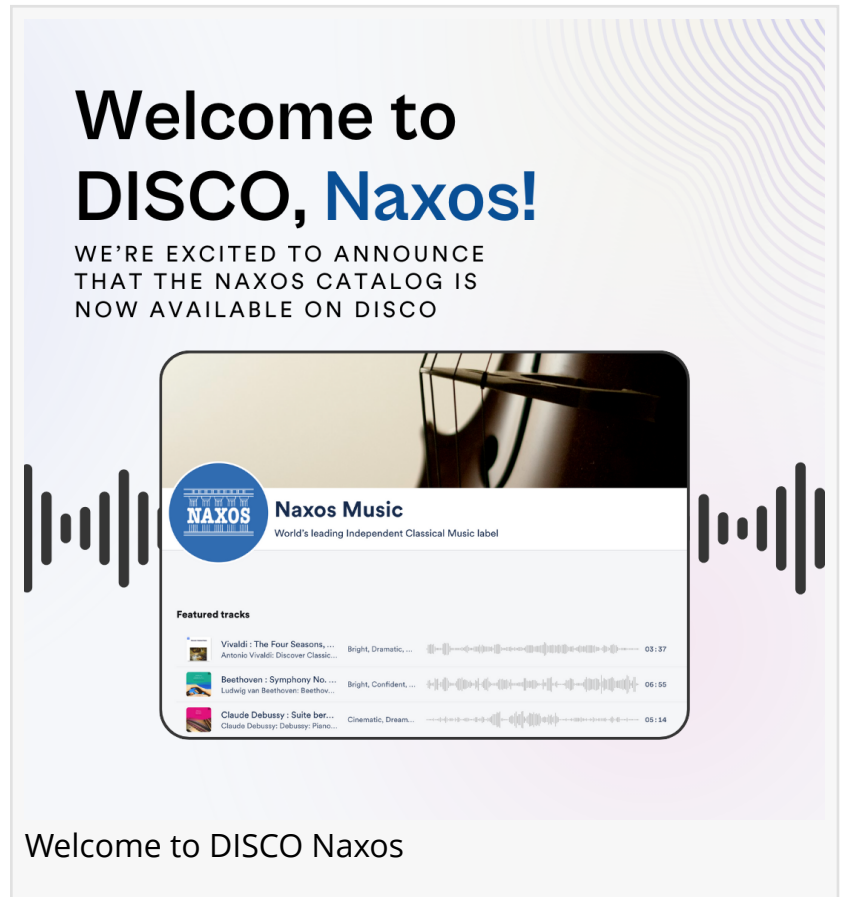

Matthias Lutzweiler, Acting CEO of Naxos Music Group stated, "We are thrilled to join the DISCO platform. This partnership reflects our commitment to innovation and to equipping our artists and collaborators with the best tools available, opening up exciting opportunities for music supervisors and the creative community to access hundreds of thousands of tracks from the Naxos Music Group."

Martin Hewett, Head of Licensing, Naxos Music UK shared, "It's very exciting to have the Naxos catalogue featured on DISCO. The platform is designed for collaboration and having our music included will make it simple for music supervisors to search our large catalogue and find new and exciting pieces of music for their productions."

Jen Oloo, Chief Revenue Officer at DISCO, added, "We are delighted to welcome Naxos to DISCO. Their catalog not only enriches the platform, but also connects our users directly with their expert team and musicologists that bring decades of experience to help navigate the specialized world of Classical Music. It's a win for everyone involved in the creative process."
