generation owner of Acme Fence. "We wanted to find a fun way to celebrate our family's 85th year in the residential and commercial fencing business here in Northeast Ohio and we do quite a bit of dog fencing so partnering with our Akron neighbors at One of a Kind Pet Rescue was a natural," he added. "We love giving back to the community we've been a part of for so long," Zigdon added.

During the free Puppy Party with One of a Kind Pet Rescue, guests will interact with puppies from the pet rescue's nursery. Staff and volunteers from the pet rescue will be on site to facilitate puppy visits.

"We know that engaging with pets can help people relax, decrease blood pressure and increase happiness!" said Tanya Jonda, executive director of One of a Kind Pet Rescue. "We hope to make this partnership with the Juvenile Court, Acme Fence and foster families and children into an ongoing relationship," Jonda added.

"Our staff is excited for the puppy party," said Summit County Prosecutor Elliot Kolkovich. "As advocates for abused and neglected children, our dedicated prosecutors see the worst of the worst – crimes against children. We are thankful for the opportunity to unwind and enjoy some quality time with the puppies," he added. The Prosecutor's Office won the Puppy Party in a contest sponsored by Acme Fence and One of a Kind Pet Rescue after one of its dedicated employees nominated the Office.

More About One of a Kind Pet Rescue: One of A Kind Pet Rescue is a non-profit organization founded in November 2005 and is funded by private donations. The organization is dedicated to saving animal lives, rescuing pets in imminent danger of euthanasia, spaying/neutering and adoption of homeless animals into appropriate, loving homes. We are a no-time-limit shelter and no adoptable animal is euthanized. Many of our animals come from Animal Control Facilities (the pound) just prior to their scheduled euthanasia. Sick or injured animals brought to us by Good Samaritans are often given priority. Owner surrenders and strays are accepted when space is available.

More About the Summit County Prosecutor's Office: The Summit County Prosecutor's Office is dedicated to upholding the laws of the State of Ohio equally, fairly and ethically. We are devoted to making the criminal justice system as accessible as possible to the residents of Summit County. Our objective has been, and continues to be, the efficient administration of justice through innovation and the highest standards of professionalism. In line with our commitment to innovation, we developed the first program in the State for a highly trained facility dog to comfort victims during court hearings and pretrial meetings. In 2023, Adam became the Prosecutor's Office facility dog after our original facility dog, Avery, retired after many years of service to the people of Summit County.
