

Noie Hakone Sengokuhara by Uds Ltd. Wins Iron in A' Interior Design Awards

Uds Ltd.'s Noie Hakone Sengokuhara Recognized for Exceptional Interior Design in Prestigious International Competition

COMO, CO, ITALY, December 12, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced Noie Hakone Sengokuhara by [Uds Ltd.](#) as a winner of the Iron A' Interior Space and Exhibition Design Award. This prestigious accolade highlights the significance of Noie Hakone Sengokuhara within the interior design industry, positioning it as a noteworthy achievement in the field.

The Iron A' Interior Space and Exhibition Design Award is particularly relevant to industry professionals and potential customers, as it recognizes designs that align with current trends and needs while advancing interior design standards and practices. Noie Hakone Sengokuhara stands out for its practical benefits, innovative features, and its ability to enhance the user experience within the hospitality sector.

Noie Hakone Sengokuhara is a resort hotel in Hakone, Japan, designed as a rental villa that offers a safe and relaxing experience even amidst the challenges of the Covid-19 pandemic. The hotel's design seamlessly incorporates the surrounding nature into its spacious garden, allowing guests to immerse themselves in the beauty of the four seasons. The Shiro Suite dynamically brings the outdoors inside, while the Oku Suite ensures a continuous connection to the garden from every vantage point.

This recognition from the A' Interior Space and Exhibition Design Award serves as a testament to

Uds Ltd.'s commitment to excellence and innovation. The accolade is expected to inspire the team to continue pushing boundaries in their future projects, fostering further creativity and exploration within the interior design realm. The award also solidifies Noie Hakone Sengokuhara's position as a benchmark for exceptional design within the hospitality industry.

Noie Hakone Sengokuhara was designed by Uds Ltd.'s Keiichi Ito and Ayako Sasaki, who served as both architects and interior designers on the project. Asnova Design Ltd.'s Yoshihiro Yano provided operational support.
