

Voiceplace: Roger Love and Cheyenne Grace Announce 2024 Christmas Album Release

Los Angeles, CA – celebrity voice coach Roger Love, has vocally produced a Christmas album with rising star Cheyenne Grace, a student of Voiceplace

The album showcases Cheyenne's extraordinary talent and captures the essence of the holidays. Since its debut, the album has achieved incredible success by soaring to #1 on the iTunes Holiday charts – a fantastic honour to achieve.

"I'm someone who believes that a family who sings together, stays together," said Roger Love.

"So, when my long-time student and friend Glenn called me to say he was making a Christmas album with his daughter Cheyenne, I loved the idea. Cheyenne is also my student, and a wonderful singer. They asked if I would produce the vocals, and I happily said yes. A few weeks later, we set out on an adventure to make a beautiful, new Christmas album that people would want and love, with songs that would bring families together to celebrate each other and the holidays."
