“

This video about our manufacturing gives customers and prospects an inside view on how we operate, and why we are a top supplier for custom assemblies and harnesses.”

Galaxy CEO Eric Lutz

Galaxy CEO Eric Lutz commented, “This video about our manufacturing gives customers and prospects an inside view on how we operate, and why we are a top supplier for custom assemblies and harnesses.”

Manufacturing processes that are covered in the video include:

1. Quality inspection
2. Automated wire cutting and crimping
3. Cable processing
4. Kitting
5. Assembly
6. Special handling for complex assemblies
7. Automated wire stripping
8. Wire crimping
9. Soldering

10. Shrink tubing application
11. Overmolding
12. Labeling and final QC

All assembly processes comply with the IPC/WHMA-A-620 standard and can also be done to specific customer requirements.
