A Visionary Dedicated to Transforming Lives

Globally acclaimed for his work in human behaviour, personal transformation, business optimization and leadership, Selimi has spent decades empowering individuals and organizations to unlock their fullest potential. As a best-selling author, award-winning filmmaker, and transformational coach, Selimi is renowned for helping entrepreneurs, business leaders, and high-achieving professionals turn challenges into opportunities using his proprietary science-based coaching methods.

A Legacy of Transformation and Excellence

Selected from thousands of exceptional business leaders, Selimi's recognition as a finalist underscores the transformative impact of his work. His journey from surviving the Yugoslav civil war and homelessness in London to becoming a globally respected thought leader exemplifies resilience, determination, and the power of human potential.

"This award is not just about my journey; it's about the lives I've touched. It's a testament to what's possible when we commit to excellence, innovation, and service," said Selimi. "From publishing

bestsellers and delivering transformative speaking engagements to creating award-winning documentaries, every step I take is fueled by my mission to inspire and empower others."
