

# Intumescent Coating Market 2032

Novozymes, Dupont, AB Enzymes, BASF SE, Biotech, Anthem Cellutions, Rossari Biotech, MetGen

TOKYO, JAPAN, December 20, 2024  
/EINPresswire.com/ --

The intumescent coating market is projected to reach a value of \$1.2 billion by 2032, growing at a CAGR of 10.5% from 2024. This growth is driven by the increasing demand for fire-retardant coatings in the construction and industrial sectors. The market is segmented by application, with the largest share held by the construction sector. Key players in the market include Novozymes, Dupont, AB Enzymes, BASF SE, Biotech, Anthem Cellutions, Rossari Biotech, and MetGen.
