Here are a few of the numerous positive testimonials penned by satisfied clients who were thoroughly impressed with the communication and landscaping services offered by Elite Outdoors Landscaping. "Josh and his team were outstanding! We had a large grading and retaining wall project. The prices were fair, the work was timely and quality, and they cleaned up the site before leaving. We will definitely rely on them for future projects."

"I can not say enough about Elite Landscaping. We had a complete redo of the front and back yards. They met and exceeded my expectations. From the initial phone call to the end of the project they were available every time I had a question. They were professional, knowledgeable, very easy to work with. Josh was here most days and was really good at suggesting what plants to go where and overseeing every aspect of the work. Matt always responded to my texts or phone calls in a very timely manner. I also want to give a shout out to Arty and Vicente. They were here everyday, and they made a walkway that was very intricate and work intensive. It turned out way beyond what I was expecting. Everything done was high quality and it shows in the final product. Highly recommend!!"

"This company did an outstanding job. They gave an estimate and they stuck to it. They came out and did a wonderful job. They removed the old railroad ties and took them away. I wanted stone and they put in a stone that matched my house. There were two people working on the wall, one got sick and the other man finished it by himself on time. They cleaned up the whole area. They were so good I asked if they would do a French Drain in my back yard. I actually got three bids and they came in \$1000 dollars lower. I highly recommend this company. They are polite, hardworking, reasonable, and punctual."

"Josh and his team at Elite Landscaping were great. They removed, old sod, leveled and installed almost 4 pallets of new sod. The team arrived when scheduled and completed as expected. They also took care of a drainage issue we have dealt with the last few years. The yard looks great and recommend the Elite team for your landscaping." The entire Elite Outdoors Landscaping team consistently exceed expectations to deliver excellent landscaping project outcomes for each client.
