BOCA RATON, FL, UNITED STATES, January 3, 2025 /EINPresswire.com/ -- [PBEXPO](#), the premier technology and innovation showcase presented by PartsBase ([www.partsbase.com](http://www.partsbase.com)), is thrilled to announce Captain Barrington Irving as the keynote speaker for the 2025 event. PBEXPO 2025 will take place February 27-28 at the Miami Beach Convention Center, bringing together leaders and innovators in aviation, aerospace, and technology from around the globe.

Captain Irving, a pioneering aviator, entrepreneur, and educator, made history in 2007 as the youngest person and first Black pilot to fly solo around the world. His remarkable journey—completed at the age of 23—highlighted his determination and passion for inspiring the next generation of aviation professionals. Today, he continues to break barriers and empower students through his nonprofit organization, [The Flying Classroom](#), which merges aviation with STEM education to create unparalleled learning experiences for young minds.

“We are honored to welcome Captain Barrington Irving to PBEXPO 2025,” said Founder & CEO, Robert Hammond of PartsBase. “His story of perseverance, innovation, and commitment to education embodies the spirit of PBEXPO. Attendees will undoubtedly be inspired by his vision for the future of aviation and his dedication to nurturing talent in the industry.”

PBEXPO has grown to become a must-attend event for professionals in aviation, aerospace, and

technology, offering unparalleled opportunities for networking, education, and business development. This year's expo will feature:

- Cutting-edge technology exhibits showcasing the latest advancements in the industry.
- Panel discussions and workshops led by industry leaders and experts.
- Opportunities to connect with professionals from around the globe, fostering collaboration and innovation.

His story of perseverance, innovation, and commitment to education embodies the spirit of PBEXPO”

*Robert Hammond, Founder & CEO PartsBase*

Captain Irving's keynote address will be a highlight of the event, as he shares insights from his historic achievements, his work with The Flying Classroom, and launch of the Barrington Irving Technical Training School ([BITTS](#)), his vision for integrating technology, innovation, and education to propel the aviation industry forward. Don't miss your chance to be part of the future of aviation and technology. Attendees can register for PBExpo 2025 at <https://www.pbexpo.org/registration/>.
